On Thursday last an exceedingly pretty wedding took place at Rebersburg, Pa. The couple were Mr. Geo. R. Leckner, of Washington, D. C., and Miss Annie M. Watson, formerly of Rebersburg, but for the past eight years of this city. The ceremony was performed by the Rev. L. B. Staehling, at which the party repaired to the residence of Mr. F. L. Leckner, at Millersburg, Pa., where an elegant supper was partaken of. The bride, who was accompanied by her father, was dressed in a beautiful gown, and the ceremony was a most successful one. On Saturday morning the couple started for this city, which they will make their future home.

Our fashionable ladies were talking a great deal last season about "The Elephant Grey," "The Very Best Color," "The Very Best Color," "The Very Best Color," etc. Now they say that for a cold, the best cure is one bottle of Dr. Bull's Cough Syrup—and the ladies know.

Trying to Locate the Waste.

A letter has been written to the President by the District Commissioners asking permission to send inspectors to look after the waste of water in the departments. Copies of the letter were sent by the President to the various departments for their recommendation, and in the Treasury Department it is acknowledged that there is a very great waste of water, but there will probably be no inspection as the use of water is on account of the old style of plumbing, and is considered necessary to preserve the health of the clerks.
